

It's been too long!

It's Time For Your **ANNUAL EYE EXAM**

An annual eye exam can be one of the best things you can do for your overall health and wellness! Comprehensive eye exams check for serious vision-threatening eye problems such as glaucoma, macular degeneration, cataracts and diabetic eye disease. Protect yourself and prevent potential permanent vision loss by scheduling your eye exam today. Don't wait, call now!

FREE SINGLE VISION LENSES WITH ANY FRAME PURCHASE*

We are taking extra precautions for our patients, including temperature & symptom checks, social distancing, and a strict disinfection protocol following each patient visit.
